

gcaofficial.org

We conducted a survey to let students know about the popularity of teachers before the decide to take coaching from.

This survey was directed to ICAP CA Teachers.

Results are based on independent poles by students, original results are available at www.gcaofficial.org

INTRODUCTION:

GCA is a non-government/non-profit organization working for the development of professional accountancy and members/students of such professional bodies. We work to provide career counseling, guidelines and other stuff to

assist in making a well-established career in professional accountancy professions. Our members are social workers from

all the corners of world, ready to assist all to their best.

SCOPE OF OUR ACTIVITIES:

1. Provision of useful study material and guidelines to students.
2. Guidelines about firms' induction process, interview preparation and skills development.
3. Complete and relevant information about different accountancy bodies.
4. Sharing updates from the word of accountancy.
5. Sharing latest relevant job vacancies.
6. Efforts to become a bridge between students and professional bodies.
7. Provision of the largest discussion forum to students and members for professional discussions.
8. Arranging revision classes for the students of CA Inter & CA Final by the competent teachers of the other cities.

Survey Report on ACCA Tuition Providers

Abeel School of Accountancy, Karachi

Administration and management of the Abeel institution is good. About 70% of the senior students of Abeel recommend this institution to new students and remaining 30% are not. Fees are quite affordable with limited campus facilities. There is no test or mock exams culture. Sir Abeel is leading faculty member of this college and recommended by many ACCA students.

Acute Business College, Lahore

Administration of the institution is fairly well. About 50% of the Acute students not recommending this institution and remaining 50% of senior students recommending on the basis of teachers.

Acute Sahiwal Campus

This is the only way of studying ACCA in an institute for students staying in Sahiwal, it is the only option and is pathetic, there is no other way, except by changing the city

Ala Lumen Modica, Lahore

Ala Lumen Modica is new institution leading by Mr Imran Baig(well know name in accountancy). This institution is recommended by some students but mostly students are not recommended this for ACCA studies.

Cams College of Accounting and Management Sciences

Administration and management of the CAMS is not good. Students are not satisfied there so they are not recommending this institution to new students. Fees are affordable and campus facilities needs some improvements.

CFE Centre for financial Excellence

Administration of the institution is very supportive and management amity with students is good but need some improvements. CFE is recommendable by the senior students who have studied at CFE. Faculty of the institution is better than colleges around. Tests are scheduled monthly but sometimes not held in proper supervision and mock exams held before exams. Campus facilities are limited.

Creative Business School

We have not enough feedback about this institute to report but according to available feedback,

administration and management of Creative is very supportive and recommended by its old students. Fees are affordable and campus facilities need some improvements.

CPE Centre for professional excellence

Administration and management of CPE is good and faculty of CPE is better than colleges around. Fees are affordable and installments are available on demand. Campus facilities need some improvements. CPE is recommended by senior students for ACCA studies.

Escriber College of Advance Studies, Karachi

Administration and management of Escriber is fairly well. Teaching faculty is good but there is no test and mock culture. Fees are affordable but campus facilities are not enough. There is no proper sitting area, cafeteria and cooling system.

IBF The Institute of Business & Finance Lhr

Feedback about behavior of administration and management is not good. IBF is recommended by the senior students for only few papers. Campus facilities are good in affordable fee structure. Teaching faculty of IBF is good but there is no proper mock and test system.

IBL Institute of Business Leadership

Administration, management and Teaching faculty of IBL is good. IBL is recommended for ACCA studies by its old students. Fees are quite affordable but campus facilities are limited and need some improvements.

KnS Institute of Business Studies, Karachi

KnS is a name trustworthy and the management (i.e. the people who are actually running it including Mr. Sajid, Mr. Khalil & Mr. Hamza (who is one of the leading teacher) is highly supportive to guide in the most appropriate way, due to their expertise. KnS institute provides teacher with practical exposure and extensive grasp on subject this is one of the things that is not present in other institutes. In addition to the KnS teachers are highly dedicated and are busy in working hard for their students, career counseling, workshops etc

MAC Management & Accounting Center, Karachi, Pakistan

Administration and management of MAC is supportive and teaching faculty is very result oriented. Fees are charged on monthly basis. Mock exams and test are scheduled on monthly basis.

Mentorus, Islamabad

Administration, management and teaching faculty of the Mentorus is good. Campus facilities are satisfactory and fees are also affordable. Although Mentours is not famous for ACCA studies but it's recommendable by the old students of the Mentours.

MHA Mirchiwala, Karachi

Administration and management of this institution is good. Main strength of mirchiwala is its few faculty members (Ahmed Shafi, Mustafa mirchiwala and few more). Fees are affordable but campus facilities are poor. Test and mock exams are scheduled but not held in proper supervision.

RISE School of Accountancy

Administration and management of RISE are good but the teaching faculty is more famous for CAICAP than ACCA except few teachers. Fee structure is affordable and limited campus facilities are there.

SBM School of Business and Management

SBM is having good administration and management but teaching faculty is not recommendable by its old students. About 70% of its students are not recommending it for ACCA studies.

SKANS School of Accountancy

Skans School of Accountancy is well known name for ACCA studies. Administration, management and teaching faculty is better than colleges around. Campus facilities are good. This institution is recommendable by the old students of Skans. Fees are too much and most of its students complaining about the fee structure of skans.

Tabani's School of Accountancy

Administration and management of Tabani's institute are good. Teaching faculty of tabani is more famous for CA(ICAP) than ACCA. According to the feedback of some old students of Tabani, there is no result oriented studies except for few papers. Fees are affordable and campus facilities are not good. Test and mock exams are scheduled but not held in proper supervision.
