

We conducted a survey to let students know about the popularity of teachers before they decide to take coaching from.

This survey was directed to ICAP CA Teachers.

Results are based on independent polls by students, original results are available at www.gcaofficial.org

INTRODUCTION:

GCA is a non-government/non-profit organization working for the development of professional accountancy and members/students of such professional bodies. We work to provide career counseling, guidelines and other stuff to

assist in making a well-established career in professional accountancy professions. Our members are social workers from

all the corners of world, ready to assist all to their best.

SCOPE OF OUR ACTIVITIES:

1. Provision of useful study material and guidelines to students.
2. Guidelines about firms' induction process, interview preparation and skills development.
3. Complete and relevant information about different accountancy bodies.
4. Sharing updates from the world of accountancy.
5. Sharing latest relevant job vacancies.
6. Efforts to become a bridge between students and professional bodies.
7. Provision of the largest discussion forum to students and members for professional discussions.
8. Arranging revision classes for the students of CA Inter & CA Final by the competent teachers of the other cities.
